

I design **visuals** and **movement** to tell stories and carry ideas.

A creative motion designer with 6 years of professional experience and a real programming background. Equally at home designing, keyframing and coding. Technique always stays in service of the idea: creativity comes first, everything else exists to make it real.

KEY TO UNLOCK THE NDA REEL

MOTIONDESIGN

CREATIVE THINKING

Ideas first. The right answer to the brief, not just a pretty one. Branding, idents, design concepts for major TV brands.

MOTION DESIGN

2D & 3D animation, graphics, illustration, layout. Broadcast-grade motion built to survive live air.

TECHNICAL FLUENCY

A motion designer who codes, always in service of the idea. I automate my designs to make clients' lives easier.

2020 → NOW

Motion Designer, Gedeon

Broadcast & digital branding studio, Paris. Permanent. Branding, idents, title sequences and design concepts for major TV brands.

2018 → 2020

Motion, work-study & freelance

Bachelor internship then two years work-study at Gedeon.

2017 → 2022

Bachelor's & Master's, LISAA Paris

Bachelor in graphic & motion design, then a Master in art direction for animated media. Discovered motion design there and never looked back.

2014 → 2017

Programming, Epitech / 42 · gap year in NZ

Learned to teach myself, the foundation of how I pick up new tools. A working-holiday year in New Zealand in between.

Let's get to work.
